

What's New?

Finance Now Card

The Finance Now Card is offered to all eligible customers taking out a new loan through Finance Now from the 8th June, 2015. The card primarily serves as an ID option to speed up the processing of in-store online applications through our QIK system.

Changes you will see in QIK

These changes have been incorporated into our training manuals which can be accessed online at: www.financenow.co.nz/training

- If a match is found, a new screen is displayed
- The applicant will be texted a unique code to the mobile number we have on file.
 - Example "35851 is your Mobile Txt Code. By using this code, you are accepting Finance Now's Privacy Declaration for this loan. If you did not request this code please call us on 0800 3652273"
- Simply key this code into the field provided and click "Verify & Continue"

- FNL Card Verified Application form appears

- This is the same form you use to complete a pre-approval
 - Enter the loan details as required by the borrower
 - You will need to confirm the customers personal information

Note: only single applications can be created using the FNL Card as ID

- For joint application please use the fast track application form as normal

- As the borrower is known to Finance Now, and has an existing relationship you are not required to sight additional ID or complete and print the application form (unless requested by Finance Now).
